Journey Church is a progressive congregation where people truly have open hearts, open minds, and open doors. We won't tell you what you have to believe. Instead will walk with you as you discover your own beliefs. We will embrace you with all the love we can offer. We welcome and accept all people regardless of the color of their skin, their abilities or disabilities, their sexual orientation, or the amount or lack of amount of tattoos and piercings because we believe that Jesus embraces and loves all of God's children. You won't find judgment here...only grace. We hope you'll join the rest of us as we journey from broken to whole people.

### Help Promote Newly Enhanced Find-a-Church

The new Rethink Church campaign is up and running. Find-A-Church is a key component of a new Web site featured in this campaign. When seekers arrive at the site, they will discover many “doors” through which they can walk to find a church that matches their interests and preferences. However, if congregations do not update their information on Find-A-Church, seekers will not learn much about the “doors” that can lead them into our churches.

We need your help to promote the newly enhanced Find-A-Church. Congregations can now list their ministries and welcome visitors personally. Please help us to spread the word through your publications, e-mails, e-newsletters, Web sites and other media.

Some resources to support you:

1. An article that you can directly post: ["Why Find-a-Church is Important"](#)

Over 300,000 people per month visit Find-a-Church. More visitors are on the way. Are our churches ready?

Thank you in advance.
